Give your garden a modern touch with the **15W RGB+CCT LED garden lamp**. This powerful, round garden lamp not only offers you first-class light quality, but also numerous control options to customise your outdoor lighting according to your wishes.

The **15W RGB+CCT LED garden lamp** enables flexible control via a **radio remote control** or a **WLAN controller** for iOS and Android – both accessories are available separately. The advanced **RGB+CCT technology** allows you to adjust the colour temperature between **2700K and 6500K** and create impressive colour moods.

With an **output of 15W** and a **luminous flux of 1200 lumen**, this lamp offers a **light output of 80 LM/W**, which ensures efficient and bright lighting. The high colour rendering index (CRI) of over 80 ensures precise colour rendering, while the beam angle of 15 enables targeted lighting. The lamp achieves an illumination distance of over 10 metres, ideal for illuminating large outdoor areas.

The garden lamp operates at an input voltage of AC100~240V and offers an impressive lifespan of 50,000 hours, making it particularly durable and reliable. The aluminium housing ensures a robust construction, while the IP65 protection rating protects the lamp from water and dust so that it can withstand all weather conditions.

Experience the versatility and efficiency of the 15W RGB+CCT LED garden lamp and design your outdoor areas as you wish.

The garden lamp can be controlled with a wireless remote control or a WLAN controller for IOS/Android - both available separately.
