Part No.: 180040

Vendor Part No.: S21-LED-SR000173

Synergy 21 LED Controller EOS 05 4-channel controller+power supply CC 75W

EOS 05 controller AND power supply unit in one adjustable constant current dimming controller suitable for LED panels with constant current (Compatible with the switches and remote controls of the EOS 05 series)

PRI: 200~240V, 50-60Hz SEC: 250~1500mA, 75W,

Einstallbereich: 250/300/350/400/450/500/600/700/800/900/1000/1100/1200/1300/1400/1500mA, 8-48V

Dim: 0-100% RF, Push LV, PWM Size: 210*50*32mm

Operating temperature: -20°C - +50°C, Tc 75°

Protection class: IP20
