

Synergy 21 LED panel round 9W RGB-WW with RF and WLAN schwenkbar* Milight/Miboxer*

kwh/1000h:	9,00
Lumens:	780
Watt:	9,0
Nominal Service Life:	35000 Std.
Switching Cycles:	50000
Opt. Ambient Temperature.:	25 °C

Experience the versatility and variety of colours of the **9W RGB+CCT round panel LED downlights**. This innovative lighting solution allows you to design your rooms according to your wishes and always creates the perfect atmosphere.

The **Round Panel RGB+CCT** downlight can be controlled with a **radio remote control** and a **WLAN controller** for **iOS and Android**, both of which are available separately (see accessories). These control options offer you maximum flexibility when customising your lighting.

With an output of **9W** and a luminous flux of **700 lumens**, this downlight provides efficient and bright illumination. The variable colour temperature of **2700K to 6500K** and the RGB+CCT function offer you both warm and cool white tones as well as a choice of **16 million colours**. The downlight is also dimmable from **1% to 100%**, allowing you to adjust the light intensity exactly to your needs. The **light efficiency of 80LM/W** and a **colour rendering index (CRI) of over 80** ensure natural and vivid colour reproduction.

The **30° swivelling function** is particularly practical, allowing you to direct the light and highlight specific areas or objects. The downlight has a beam angle of **15°**, which ensures precise light distribution.

The **9W RGB+CCT round panel LED downlight** operates with an input voltage of **AC86~265V / 50~60Hz** and is supplied with a power supply unit. With a power factor of **0.5**, it is also particularly energy efficient. The robust construction made of **aluminium** guarantees a long service life of up to **50,000 hours**.

Thanks to the **control range of up to 30 metres**, you can easily adjust the lighting from a distance. The downlight fits into a hole size of **ø120~125mm** and has a compact size that allows for easy installation.

The **9W RGB+CCT Round Panel LED Downlight** is the ideal choice for lighting living rooms, offices and other

indoor areas.

Round panel RGB+CCT

Controllable with wireless remote control and/or WLAN controller for iOS and Android, both available separately, see accessories

30° swivelling

Dimmable 1% -100%

16 million colours

Power: 9W

Input Voltage: AC86~265V / 50~60Hz (power supply included)

Colour Temperature: 2700K~6500K

Luminous Flux: 700LM

Light Efficiency: 80LM/W

CRI: >80

PF: >0.5

Lifespan: 50000 hours

Beam Angle: 15°

Hole Size: ø120~125mm

Material: Aluminium

Energy Efficiency Class: F

kWh/1000h: 9
